CALTIUS EQUITY PARTNERS INVESTS IN MC SIGN COMPANY

Los Angeles, CA 9/24/2015 - Caltius Equity Partners has made a significant investment in MC Sign Company. MC Sign is based in Mentor, OH and is an asset-light provider of sign and lighting repair and maintenance services for blue-chip multi-location clients with regional or national footprints. The company's services are provided to property owners and users in a variety of industries including inline and big box retail, restaurant, financial services, and hospitality. MC Sign was advised in the transaction by TM Capital.

"Tim Eippert and the MC Sign management team have built a leading national sign and lighting service company," said Michael Morgan, Managing Director of Caltius. "The company's flexible and asset light operating model enables it to meet customers' needs for managing complex large sign and lighting design programs as well as executing on-demand and planned service and maintenance activities. We have been very impressed with the company's growth to date and look forward to leveraging our past experience in facilities services to continue building the company," said Morgan.

"We are extremely excited to partner with Caltius, especially given their past success in the facilities services industry. The management team and I are impressed by their thorough understanding of the business and we look forward to their advice as we work to achieve our strategic growth initiatives" said Tim Eippert, CEO of MC Sign.

Based in Los Angeles, Caltius Equity Partners has been making growth and control equity investments since 1999. In addition to business services, Caltius Equity Partners also invests in education, healthcare services, consumer products and light manufacturing industries.
